**A word about the event from Co Promoter Steve Gardner:**

Paul Barette found an excellent venue for the Championships, and again for the Banquet and Presentation of Awards. It was my pleasure to assist Paul with arranging the event, and I thank him for his tireless efforts on our behalf, recognising the help and support of Adrian Pryor who managed to keep things going at Metamorfit enabling Paul to be free enough to run the event. Well done to Paul's club members and family and friends who also helped out in many ways to. The competition was outstanding and easily ranks as one of the best events ever, with the lifting going so well and everyone helping out with reffing and loading, making the day run so smoothly. Our youngest competitor was 16 year old Brandon H Hyland, and our most Senior was David Bleay at 84 years young. It was nice to note that David lifted in this event, after a break of 14 years, in memory of his good friend and lifting partner who passed a few years ago: a true IAWA Champion: Keith Murdie. Nice moments included witnessing 74 year old Laverne Myers from Kansas USA pulling the heaviest One Hand 2" Dumbell Deadlift of the competition at 80 kilos, and the wonderful style and commitment of the female lifters. Everyone performed brilliantly, congratulations to Pete Tryner for taking his second Overall Best Lifter title at World Championships. Finally, the presentation of the Awards of Merit made a fitting end to the weekend, well done to Steve Andrews and Denny Habecker!
